Working Party at Church - 29th January

We are having a working party on Saturday 29th January and everyone is welcome to come and join us, to help out and get to know other people. We start around 8:00am (if you want breakfast) and start work around 8:30am.

There are jobs outside, in the graveyard and the front of the church, and inside to help sort things (e.g. toys and cupboards) and clean different parts of the church we haven't been using for nearly 2 years.

Talk to anyone on the fabric team, or just turn up on the day - the more people that help the quicker the jobs get done.

We may have to still socially distance and wear a mask if we are close to anyone, but will confirm this nearer the date.

Free Piano

I have an upright piano which has done service in the family for over a hundred years but it's now time for a new home. It needs tuning but is in otherwise good condition. Free to anyone who can make use of it.
